

## Keith's Quill

We find ourselves in the midst of summer. Yes it is a bit hot in the afternoons around Moab but the evening and mornings are glorious. Dianne and I just spent a week off both celebrating our newest Grandson's first birthday in American Fork, Utah and then mountain biking with our Daughter Dayna in Crested Butte, Colorado. Both events were great. It is always good to get away for a while and always good for me to get home and back to work. We love to stay involved in the lives of our people. So work is not really work. Someone has said if you enjoy doing what you do you never have to work a day in your life. There has been days that it seemed like work was work but not many.

I wanted to use part of this article to encourage each of us to stay involved and faithful to our community of faith this summer. There are a lot of good reasons to miss worship during the summer months. Many of us travel during this time and those of you with children and young people find yourselves very committed to sports schedules. I have been there. It takes some extra planning to get everything done but it is possible. I just wish to remind you that have children, that they notice what is important in your life. Our priorities become theirs often times. I have noticed over the years that the children who stay in the church as adults had parents who were very faithful to their communities of faith. Check it out and you will see that it is true. If your parents took lots of time off church you will have the same tendency. But just know that God honors those who honor Him. It is something to think about.

We have a couple of opportunities for you coming up. One is the evangelism emphasis that we are doing now. We are encouraging each other to be handing out the church cards that we have made available. The idea is to invite people to our church and also give them an excellent resource that they can use to check out a great number of questions that they might have concerning Christianity. I hope you will pass out lots of cards.

And then, we are showing an excellent film on July 8<sup>th</sup>. The movie, "I Can Only Imagine", will be shown in the church sanctuary. There will be babysitting provided and popcorn! We hope to start the film at 6:30. Have a great summer. Lets make it one in which we all grow in the Lord and honor Him in all we do.

# Student Assistance Program

Sunday, July 15th, during Worship Service, we will recognize the recipients of the S.A.P. Scholarships for the 2018-2019 school year.

The SAP awards are an important ministry of Community Church as we encourage our college students to grow in their faith and strengthen their relationship with the Lord, during these years of transition in their lives. Look for their pictures and letter "home" on the bulletin board near the entry to Fellowship Hall throughout the coming year!

If interested in staying at our Church Cabin please make reservations by calling the office 435-259-7319

Phone: 970-361-8453

This year's theme is "Find Your Fire" (Romans 12:11-13). There are several positions open on the steering team, and we would love to have Mothers/woman of faith from our community come join us! We are also looking for volunteers for childcare, 2 Thursdays a month.

Steering Team Positions:

Hospitality, Publicity, Moppets (Children's Activity Coordinator), Finance Coordinator, Group Leaders and a Group Mentor (someone qualified to give sound council) If interested in any of these positions, please seek the Lord about it in prayer first. If your interested in joining the team, or being a MOPS momma, please contact Jamie at the number or email above. The 1st meeting has not been set, due to positions that need to be filled. Thanks!

## God's Perfect Will!

The Next time someone says they would like to find God's perfect will for their lives and that they want to be in the center of HIS Will, just send them to the center Of HIS WORD

**Psalms 118: 8**

**"It is better to trust in the LORD than to put confidence in man."**

*Now isn't that odd how that worked out?  
(Or was God in the CENTER of it?)*
