

# August

This month, August, is back to school month. Sorry kids and sorry teachers. It still seems strange to me that school starts in August. Coming from a farming community it would have been unheard of to take the best farm hands out of the fields before sometime in September. But times change. Times do change, but families are still a top priority. There are lots of good family times even after the class bells begin to ring. Hopefully, you that have children have had chances to have good quality time with them this summer. I know from all the Facebook posts that many of you have. You can look forward to all the wonderful Fall activities that give rise to family fun.

As most of you know by now Dianne and I have added two grandchildren to our quiver. Kelly and Amy had a baby boy named Micah and Kyle and Amanda, a girl they named Cypress. We are thankful to God for these two new healthy people in our lives. We are thankful to all of you that have prayed for them and who continue to support them with your prayers and encouragement.

Dayna, our only daughter, will be getting married on September 21<sup>st</sup>. She has fallen in love with an amazing man named Matthew Handzlik. We have prayed for many years that just the right person would be sent of God and those prayers are surely answered. The happy couple will be married in our church at 4:00 p.m. and you are invited to attend. There will be a reception for all our church friends immediately after the service in the church's fellowship hall. The couple will attend a private gathering of Dayna and Matt's close friends and family at another location after their time at the church. I hope many of you will join us to celebrate their love and commitment to each other.

Sometimes we feel almost guilty for the goodness of God to us. I know I don't deserve the blessing that I have received so graciously from the Heavenly Father. I am, however, greatly appreciative of His love and mercy shown to me and my family. And I count you that read this article as a big part of the blessing that God has shown me over the years.

Thank you!

PK

## Student Assistance Program

A new school year begins soon! You're invited to join the ministry of the Student Assistance Program by praying for our university students to grow spiritually, mentally, socially and physically according to God's principles.

In addition to our prayers, they receive financial scholarships. You can support this ministry by designating your cash or check contribution to the SAP fund and placing it in the offering plate. Online giving is an option at [moabcommunitychurch.com](http://moabcommunitychurch.com).

### **Recipients for 2019-2020**

Look for their pictures and letters on the bulletin board in the entryway to Fellowship Hall.
